Daniel's Testimonials

- We learned new words, read stories and you knew how to convey to us everything in a fun and funny way. We clearly remember how we read "Lord of the Flies" and then we assembled a court and tried the defendants. We had such a wonderful teacher.

– Students Torah and Science Yeshiva High School graduating class of 2018.

- Our teacher in grade nine this year, Mr. Ashkenazy was one of the best teachers we have ever had. He motivated us, entertained us, enlightened us, and with his guidance we improved our English to very high levels. He is an excellent teacher. – Grade nine class Ironi Gimmel, Jerusalem 2005.

- Mr. Ashkenazy, I never realized how valuable and important all the essays you gave us to do until I began to prepare for the Bagrut. I feel very ready for any time of essay now. Thank you- Doron, Torah and Science Yehiva High School Jerusalem.

- Went with the flow; adapted to our moods quickly and efficiently. Always had a plan b for the lessons, and displayed an amazing sense of humor. All in all, a great friend and mentor. – Rafi, Shefa Jerusalem.

- I enjoyed most the trial after reading “Lord of the Flies.” I convicted Roger of murder and after the army service in the IDF completed a law degree at the Hebrew University in Jerusalem. – student Torah and Science Yeshiva High School (Machon Lev)

- I remember the trial of Jack and Roger after we read “Lord of the Flies” because I learned how to prosecute an accused for murder. It inspired me to become a lawyer, a criminal lawyer. Thank you, Mr. A. – student Torah and Science yeshiva high School, 2010.

- What is my verse? “One tin soldier Rides away.” It taught me to always think for myself, treat others well and walk away if you feel the situation is distasteful. – David, Student Torah and Science Yeshiva High School.

- Merci M. Ashkenazy. I received 95% on Bagrut 5 points because you worked hard with me to improve my English and believed in me. I could not have done it without your dedication. – Malchiel.

- I am writing this note that thank you very much for all of the time and effort you provided in editing my doctoral thesis several years ago. As the director of ISGAP, I am also grateful for the excellent work that you carried out for our institute over the years in editing our website and some of the articles that my colleagues and I published. – Dr. Charles Asher Small
